WATER IS THE LIFE...

Products Offered :

Domestic Purifiers

- RO+UV+ Purifier
- UF Purifier
- 7 Stage Gravity Model etc.
- Alkalihe Purifiers
- Residential Softneres

Waste water Treatment Plants :
(Swage & effluent treatment plants)

- MBBR Based Sewage Treatment plant in civil and MS Fabrication.
- Chemical based Effluent treatment plant
- STP with UF based.
- Other Biological treatment system.

Industrial water treatment Plants :

- Chemical dosing systems.
- Pressure sand/Activated carbon/dual media filters.
- Ultra Violets disinfection systems.
- Ozone generators
- Fabricated Plants / Equipments /
- MS Tanks / Vessels

RO 15 LPH

RO 100 LPH

Reverse Osmosis (RO) Plant's

Commercial Water Softeners

Fabricated / Civil STP

DM Plants

RO Components & Spares

WATER IS THE LIFE...

Annual Maintenance Contact :

Our organization is dealing in your Treatment plant operation & Maintenance Service.

Our expertise:

- Depute expert operation manpower
- Monthly Preventive Maintenance Schedule
- Expert visit with auditor.
- Submit monthly Service visit report

We Serve:

- Industries
- IT Office
- Residential Buildings
- Commercial Complex
- Malls / Hotels

We Are Leading :

Water & wastewater Treatment Plant Installation service provider to take care your plants

Our expertise:

- Effluent treatment Plant (ETP)
- Rain Water Harvesting (RWH)
- Biogas Plant
- Sewage Treatment Plant (STP)
- Water Treatment Plant (WTP)
- Annual Operation Maintenance Contract (AMC)
